Mountain Resort

Started as a feeding hall for the Civilian Conservation Corps during the depression, the Hualapai Resort, earlier known as Pine Lodge and Hualapai Mountain Lodge has had its share of changes. Today you will find a wonderful but rustic establishment that has a General store, RV park, Motel, Bar and Restaurant. The Resort attracts many who want to see the wild elk and deer that roam freely, enjoy the hiking and off road trails, stay in one of the comfortable motel rooms or dine on some of the best cuisine around. The Resort hosts live music throughout the year. To learn more about our events check out our website at [www.hmresort.net](http://www.hmresort.net)
